Dear Mr. Gunther:-

I have your note saying that you cannot attend the meeting on November 8th, and I was glad to hear from you.

You will be interested to learn that Mr. Wyman is in England at the present time, and probably he will have returned about the time you come East.

I note that you are hoping to have a Peace Medal given you for Christmas, and personally I think that will make a very beautiful gift.

With cordial wishes that your trip may prove most pleasant, I am,

Very sincerely yours,

My dear Mrs. Gunther:

I very much regret that through an error on our part, the notice of your son's dues was returned to you unreceipted. We had recorded the payment of the dues but had failed to secure the Treasurer's signature, and the bill was mailed to you a second time when it should have been a receipt instead.

Dear John:-

Many thanks for the three badges you sent on. Keep on with the good work. If you want to try to get something really worth while the Head Master, John C. Minnema, issued a medal to World War Veterans I think from Washington, Connecticut, and you should ask him about getting a specimen. We have a copy here, and I think it is very good.

Very truly yours,

Dear John:

I think the place I referred to in my last letter was one of the World War medals issued by the town of Washington, Conn. to returning veterans of the World War. It has a liberty bell on one side and an inscription on the other. You ought to be able to locate one somewhere around.

Mr. W. Luntz of Newchester, Ct. is not a member. Several times in the past I have written him, but for some reason or other he has held off.

Dear Mrs. Gunther:

After our conversation of today, may I say that there is an opening in our Society into which I feel your son would fit very admirably.

For a long time, your son was the youngest member of our Society; and the enthusiasm he has shown and his continued interest in coins and matters relating to them, have given great satisfaction to those of us who have watched him develop. I have no doubt that some arrangement which will be satisfactory to him can be made, whereby he will become a member of our Staff.

Sincerely yours,

Secretary

Dear Mrs. Gunther:

Your letter of August 9th is at hand, and I cannot but assume that your decision is final; nor can I venture to advise you further than I have already done. I assumed, of course, that you had gone into the matter thoroughly before coming to us. Whether your friends are correct in thinking that living in a Christian home and starting work under the supervision of Mr. Wood and myself would be at all comparable to starting elsewhere, is a matter which must be left to your own judgment. It is hardly reasonable to suppose that the opening here will remain unfilled for long.

Very sincerely yours,

Secretary

Dear Sir:

At present there are a number of vacancies in the list of Fellows, and it has been suggested that you might care to become a Fellow of the American Numismatic Society. As you know, the title to the Museum and the collections of the Society is invested in the (not more than) 150 Fellows, and those within the past few few years invited to become Fellows have been limited to individuals really interested in numismatics. The dues of a Fellow are \$15.00 annually.

If this suggestion receives your favorable consideration, I shall be very glad to present your name at the next meeting of the Council, early in February.

Very truly yours,

Secretary.
